To the residents of this address

Subject : Construction work by Kavel 14 | 16
Project : 900 Mahler

Amsterdam, 18 February 2016

Dear Sir or Madam,

We are writing to inform you about the construction work at Gustav Mahlerlaan 900.

We will disassemble the tower crane used for the Kavel 14 | 16 project in week 8, and remove the crane from the grounds. The work will start on Thursday 25 February and will be complete on Sunday 28 February, but will only be carried out if weather conditions are favourable. The work will be postponed until further notice in the case of strong winds.

The car park will still be accessible while the tower crane is being dismantled. You may experience some inconvenience on Thursday morning between 09.30-12.00, but this will not last for more than ten minutes at a time.

The work will cause some noise nuisance, as various parts of the crane are connected using heavy pins which have to be separated by force. A large number of lorries will also enter and exit the construction site in order to remove the individual components of the crane. They will enter and exit the site from Gustav Mahlerlaan and from De Boelelaan, depending on the component that is loaded onto the lorry. The work is scheduled to take place between 7:00 and 19:00.

The entire work schedule including preparation works and disassembly of the tower crane is as follows:

Wednesday 17 February

- Removal of roofing sheets on the overpass (between 16:00 and 19:00), no inconvenience will be caused and the Mahler 1000 car park will remain accessible.

Thursday 18 February

- Removal of roofing sheets on the overpass (between 16:00 and 19:00), no inconvenience will be caused and the Mahler 1000 car park will remain accessible.

Friday 19 February

- Removal of roofing sheets on the overpass (between 16:00 and 19:00), no inconvenience will be caused and the Mahler 1000 car park will remain accessible.

Saturday 20 February

- Removal of roofing sheets on the overpass (between 7:00 and 19:00), there will be some inconvenience and access to the Mahler 1000 car park will be limited.

Kavel 14 | 16 is affiliated with Bewuste Bouwers, the Dutch equivalent of the Considerate Constructors Scheme. As such, we respect our neighbours, safety at work, our employees and the environment; these are the values for which our projects stand. You can find more information on what Bewuste Bouwers can do for you at www.bewustebouwers.nl (in Dutch only).

If you have any questions regarding the construction of Kavel 14 | 16, feel free to send us an e-mail at info@kavel14-16.nl.

The City of Amsterdam's Zuidas Amsterdam Development Office is not the commissioning party for this project, but it does play a role in coordinating all construction work in the Zuidas area. If you have any questions or comments about a project near you, please call the Area Coordinator at the Zuidas Amsterdam Development Office, Jeroen van der Linden, on +31 (0)6 12 345 105 or send an e-mail to omgevingscoördinatie@zuidas.nl.

We thank you for your understanding.

Yours faithfully,

Kavel 14 | 16
